CORRESPONDENCE

The Rushcliffe Local Plan Part 1: Core Strategy was formally adopted by Rushcliffe Borough Council at its Council meeting on Monday 22 December 2014. See www.rushcliffe.gov.uk/planningpolicy for further details.

DCLG have published the Transparency Code for smaller authorities, which is issued initially as "recommended practice", with the intention of making the code mandatory by the start of the 2015/16 financial year.

The Ruddington & District Branch of the Royal British Legion are appealing for new members. You do not have to be a member of the Armed Forces. If you would like to join your local branch in Ruddington contact Ken Hicks (Tel 0115 921 3112) or George Fearn (0115 921 3556)

The Parish Council had written to the Highways Department concerning the traffic congestion at the Business Park roundabout. Nottinghamshire County Council responded to the effect that, as there had only been one vehicle collision involving a single vehicle losing control on ice within the period 01/01/2011 to 30/06/2014, this represented a good accident record and therefore did not justify a major scheme. The eventual solution sometime in the future may depend more on upgrades to the surrounding major A road routes as an alternative to the A60.

A resident had written to the Parish Council with concerns about the planning application on Asher Lane, Ruddington. 146 Ruddington residents had met in St Peter's Rooms, Ruddington, to voice their objections. Individuals should also post their objections/comments on the Rushcliffe Planning website.
