Ministerial meeting on Local Government Finance Settlement - concerns remain on the short-changing by some principal councils of Government funding for council tax support. The National Association of Local Councils identified more than 30 such councils this financial year, and its research shows that the number of principal councils not passing on any council tax support funding to town and parish councils will increase in 2015-16. Rushcliffe Borough Council was known to be considering this step. (N/letter)

Parish and Community Meetings Update. 1) a law change in England that permitted email service of the summons and agenda; 2) the government's requirement that councils in England with turnover not exceeding £25,000 should publish the summons, agenda and draft minutes on a website. Cllr Ackroyd reported that the Parish Council's Standing Orders may need revision. The Clerk would review the current Standing Orders prior to the next meeting.

The Clerk had attended an "Audit" seminar on 12<sup>th</sup> February 2015 presented by Grant Thornton.
