

# BRADMORE PARISH COUNCIL

WHEN DRIVING IN  
BRADMORE, PLEASE  
DRIVE SLOWLY

*This Newsletter gives a brief description of the topics discussed at both the Parish meeting on 29<sup>th</sup> June 2016. The newsletter is also sited on both noticeboards and available on the village website. The information is given as a service to villagers and is believed to be accurate, but will not be verified as such until the next meeting of the Parish Council.*

## CASUAL VACANCY

If anyone is interested in joining the Parish Council, contact the Clerk or a Councillor for further information.

## CORRESPONDENCE

*Rushcliffe Borough Council*

Streetwise had confirmed street cleaning in Bradmore had been carried out on 22nd October 2015 and 30th March 2016. Future work would be carried out between 9:30am – 4pm when less vehicles would be in the village.

First Contact Signposting Scheme: No requests for information leaflets had been received by the Clerk.

*Nottinghamshire County Council*

A representative from the Parish Council would not be attending the Shale Gas event on 6th July. The Parish Council would not be represented at the Civic Service on 26th June.

Plans to open the Bunny Materials Recycling Facility on the A60 which would allow 12 additional HGVs to leave the site along the A60 at 6am on six days per week was a concern to Bunny and Bradmore residents. The plans had been deferred until September for the Company to reconsider a later time (possibly 7am) for the vehicles to leave the facility to alleviate as much disruption as possible to residents.

## ANNUAL ACCOUNTS - NOTICE OF INSPECTION

The annual accounts have been forwarded to the External Auditor, Grant Thornton. Residents have the right to inspect the unaudited accounts, details of which are on the website and notice boards.

### **WEBSITE**

Future plan for a "Nature Section" by Sheila Clarke.

### **FOOTPATHS AND STILES**

NCC was keen to carry out further work on the footpath down Moor Lane at a reasonable cost. Repair work had been undertaken but further work is currently in abeyance due to staff shortages.

### **NEIGHBOURHOOD WATCH**

Nothing to report

### **PARKING**

The southern entrance into the village, by the post box, continues to be a problem. Vehicles parked too close to the A60 junction present hazards to vehicles both leaving and entering the village.

Drivers' vision on entering the village is very restricted when turning either left onto Farmer Street. Drivers leaving the village are forced to use the right hand lane as opposed to the left hand lane. A head on collision sooner or later seems inevitable. Please drive with care at all times through the village.

### **AMENITIES**

#### **APPEAL TO ALL GARDENERS!!!**

**Do you have spare perennial shrubs for the flower bed on the A60?**

**Your contributions would be greatly appreciated.**

Bill Barrett continues to mow the grass around the bed, and Roger and Chris Downer have kindly volunteered to maintain the bed but we need more plants to add to the existing Prostrate Rosemary and heathers. Please contact the Clerk if you have any plants to offer or can help in any way. Thank you.

### **DOG OWNERS**

A dog owner had been witnessed on more than one occasion walking through one of the horse fields allowing his dog to roam free and chase the horses. Walkers (and dog owners in particular) are reminded to follow the Countryside Code with regard to livestock at all times.
