SHOW RULES

1. All exhibits are to be bona fide produce owned, and grown for at least 3 months by the exhibitor.
2. We have recently struggled with space on the show bench so we are reluctantly having to limit exhibitors to three entries per class at all shows from July 2018
3. All exhibits must be of exhibition standard and the stewards have the power to refuse any exhibit which, in their opinion, does not comply with this rule.
4. Excessive foliage and soil must be removed from exhibits before staging.
5. For the benefit of the viewing public and where possible, it would be appreciated if exhibitors could name the varieties of their exhibits.
6. Children are asked to state their age on the entry form. This will then be shown on the reverse of their Exhibitor tickets and be taken into account when judging.
7. Exhibitor tickets must be placed upside down and remain so until judging has been completed.
8. The Society's own vases must be used in all classes where vases are required except where the Schedule states that flowers are staged for all round effect, when exhibitor's own container may be used.
9. All plates and other staging material must be provided by the exhibitor and will remain their own property.
10. ... All exhibits are to be staged at the exhibitor's own risk.
11. Exhibitors are **FORBIDDEN** to touch or move other exhibits once staged. **Please ask a Steward for any help.**
12. Exhibitors and members of the public will not be allowed into the Show Hall during judging.
13. Exhibits will be judged in accordance with The Royal Horticultural Society's Handbook and the Rules or Regulations of the various National Societies.
14. In any class with less than four entries, the prizes may be restricted at the Judge's discretion.
15. In the event of a tie on points in the highest number of points systems, the number of first prizes will be taken into consideration when awarding the trophy.
16. If any complaint is made, it must be in writing and accompanied by a deposit of £1 to the Show Secretary within 2 hours of the Show opening to the public. This will then be considered by the Judge if present or the Committee, and if upheld, the deposit will be returned.
17. Prize monies may be collected after 2.00pm on the days of the Spring and Summer Shows. Prize monies may be collected after 2.00pm, on the **Sunday** of the Annual Show. All prize monies not collected or claimed within 2 weeks of the Show Date will be deemed to be a donation to the Society. Please submit claims to Ruth on 0115 972 5482
18. No exhibit must be removed before the end of the Show without the authority of the Show Manager.
19. Trophies, which are the property of the Society, must be returned in good and clean condition prior to the relevant Show.
20. The Society would be grateful to Exhibitors if their exhibits could be left on the Show bench for auction after the Show.
21. The Society will not be responsible in any way for injury or accident to any person, or for loss of, or damage to, property of any such person, from any cause whatsoever before, during or after, the Show.

- 2 Cream margarine and sugar until light and fluffy.
- 3 Beat in the eggs, one at a time, adding a little flour with each.
- 4 Gently fold in remaining flour.
- 5 Place in prepared tins and bake for 20-25 minutes
- 6 When cool, fill with jam. Dust with Caster Sugar.

HINTS FOR EXHIBITORS

If you have not exhibited before, you are probably not aware that the proper staging of your exhibits may go a long way towards winning a prize. Several members of the Society have had considerable experience in exhibiting and are anxious and willing to help you if you contact them through a Committee member.

Below are a few notes which may be of assistance to intending exhibitors at the Annual Shows.

All vegetables should be clean and fresh and, as far as possible, free from blemishes. Where possible they should be correctly named. Good quality, combined with a size suitable for table use, is of the utmost importance. Size and weight greatly above normal usually indicate coarseness and judges will regard this as a defect. Exhibits comprising a 'dish' should be uniform in size and one variety only.

POTATOES Aim at uniformity in the size of tubers. Medium sized, shapely specimens are greatly superior to enormous tubers.

CARROTS and **PARSNIPS** should be young and tender.

ONIONS Large onions are desirable, but must be free from blemish, well ripened and hard.

BEETROOT Should be selected carefully. Good colour combined with uniformity is important.

TOMATOES should be firm but ripe and **stalks should be left on.**

PEAS and **BEANS** The pods may be as long as the competitor likes, provided they are young and the pods are well filled. Try to preserve as much of the natural bloom as possible.

FRUIT Dessert apples should be of a good colour and appearance. Quality is always preferable to mere size. With cooking apples, size is desirable if combined with good quality and clear skin. **Abstain from the practice of polishing fruit.** All fruit should be shown **with the stalks attached.** (RHS rule)

BASKET OF VEGETABLES All varieties will be awarded equal points. Up to 6 kinds of vegetable may be used. Need not be dressed for exhibition as required in other classes, but must be clean, trimmed and ready for the kitchen and nicely presented. Points will not be gained or lost if dressed.

7

N.B. Please notify Margaret on 0115 9728579 if you intend to exhibit in Classes 1 OR 2 (Collection and Baskets) by 6th September 2018 in order to help with Show layout. Un-notified entries will be accepted only if space allows.
