Our Services

The Jericho Road Project has been working with women affected by the sex industry since 2000. We provide support and friendship to women across Nottinghamshire, enabling them to make life-changing, informed choices and assisting and supporting those who wish to exit the sex industry.

Street Outreach

We go out into the red light district in our van 2 or 3 times per week, providing food and hot drinks, warm clothing and prayer, as well as signposting women to our drop-in centre.

Drop-In Centre

We offer a safe and welcoming environment

where hot food, laundry facilities, a bath/shower, toiletries and clothing are available. We can also signpost or refer women to other services to help with housing, benefits, substance misuse and health issues.

Prison Visiting and Resettlement

We visit women in prison and offer support with finding accommodation or accessing rehab upon their release.

Befriending

We offer regular, ongoing support to women who would like it.

Off-Street Outreach

We visit venues with quality cakes and Ugly Mugs information. We aim to build

relationships with the women working there, and regularly offer to pray with them.

Supported House

We offer befriending and signposting to women living in a supported house in Nottingham.
