Maidenhead at the Movies took place this year on Friday 16th August and Yorkie and the community team headed down to Kidwells Park to join in the fun. Although the weather was not on our side, plenty of people turned out to this annual event. The community team organised a treasure hunt which took place around Kidwells Park before the first movie of the day, which was Dumbo. Yorkie and the team had lots of fun meeting new people and Yorkie even got to have a ride on the carousel!

Macmillan Coffee Morning and Walking Football Tournament

On Friday 27th September we held our annual **Over 55's Walking Football Tournament** at Braywick Park. The tournament ran alongside a **Macmillan Coffee Morning**. All the money raised on the day, including the tournament entry fees were donated to Macmillan Cancer Support. A match day collection also took place the week before on Saturday 21st September and this was added to the total tally. Thanks to everyone's generosity we were able to raise a massive £1,461.70 for Macmillan Cancer Support.

The **Over 55's Walking Football Tournament** saw eleven teams competing and 98 individuals taking part in the sporting event. There was a fantastic atmosphere on the day with like-minded players coming together to share playing experience and compete in a fun and friendly tournament. Well done to Bracknell Town Walking Football team who were the overall winners of the tournament.

Alongside the tournament we held for the 5th year running a **Macmillan Coffee Morning**. The event was held in SportsAble at Braywick Park and saw a number of people visiting throughout the day. Taster activities were on offer for older people including a SMILE seated exercise class and SMILE guided walk around the Braywick area. Tai Chi was also available for people of all ages and abilities. Discovery with 3 came down to support the event and offer advice on using APPS on smart phones and tablets.

There was a huge amount of support on the day for both the coffee morning and tournament as well as a lovely selection of delicious cakes and refreshments available for everyone to enjoy!

Tea Dance

On Friday 4th October we held our first ever **'Tea Dance'** at Woodlands Park Village Centre. The event was attended by 25 people who enjoyed an afternoon of dancing as well as afternoon tea. A dance instructor from 4Motion Dance Company was on hand to teach everyone some simple steps to much loved dances such as Salsa, Tango and everyone's favourite the Charleston. Lots of fun was had by everyone and we hope to make this an annual event. Look out for information to our next 'Tea Dance' as part of the 150th anniversary celebrations.

School Tournaments

Magpies in the Community have been busy during October organising four **schools football tournaments**.

On Wednesday 16th October we were at Altwood School for a Years 7 and 8 Girls Only football tournament. The tournament was attended by five local secondary schools with seven teams competing.

On Thursday 24th October we were at Alexander School in Windsor for a Years 3 and 4 Mixed football tournament. The tournament was attended by eight primary schools with a total of 13 teams competing.

October also saw us running two football tournaments as part of the **National League Trust U11's Cup competition**.

On Monday 14th October it was the U11's Boys tournament which was attended by seven primary schools and a total of eight teams competing with **St Edmund Campion** winning the tournament. The Girls Only football tournament was held on Wednesday 23rd October with five teams from local primary schools attending with **Courthouse School** winning the tournament.

The winners from each of these tournaments will now go on to represent **Maidenhead United FC** in the regional stages.

The competition FINALS will be held at Wembley Stadium next year.

We wish both St Edmund Campion and Courthouse School the very best of luck in the next stage.
