The Listening Place, Salisbury

In Salisbury the churches have worked together to provide a listening service open to any members of the public who would value the opportunity for someone to talk to and listen face-to-face. Please see their website <http://www.thelisteningplace.org.uk/> for more information.

If you are interested in exploring how the churches could work together to provide a similar service in Trowbridge then please bring your thoughts and ideas to the next CATA meeting in January.

WYFC continue to do a great work in our schools providing mentoring for youngsters, supporting Christian Unions, running projects like the 'Accompanying project' to support children's transition from primary to secondary school, the GSUS live event (booked for 2022!) as well as community events and projects. Please see their website for more details <https://wiltshire.yfc.co.uk/>
