

The commodore and committee of HOEOCA are
pleased to remind you of the

10th Autumn Rally

to take place between

Thursday 14th - Sunday 17th November 2002

To mark the 10th occasion on which the club has set sail in the winter, the club has chartered HMS Warrior in Historic Portsmouth Harbour for the evening. This extra special celebration will take place on Friday 15th November - attire will be of either a smart (i.e Yacht Club!) or nautical nature. To this end, we have investigated the hiring of such garb from the nearest location in Portsmouth and will co-ordinate requests in due course (from £15 per costume - details available shortly or visit www.masqueradefancydress.co.uk 023 9229 8700).

The plan, weather dependent, will be to charter from Hamble Point from the Thursday morning and rally, along with owners boats, at Gunwharf Quay where a group booking will be made. Provisional programme

- Tour of ship
- Commodores cocktail party (on board and in one place)
- 3 course Dinner
- After dinner entertainment

For those unable to make the 4 days, we hope to arrange a weekend only boat from Portsmouth. In view of the commemorative nature of the occasion, we also welcome ex-members, close associates of the club and land based visitors for the dinner.

Application to attend November 2002 rally

Name _____

Home telephone _____
