Family Team Volunteer Declaration

- I agree to participate in voluntary assistance for The Noise Devizes (which is a community outreach activity of St James' Church, Devizes), which will take place on and during 14th May, 1st and 2nd October 2016 in Devizes and all locations in connection with the event as initiated by 'The Noise Devizes' organisers.
- I understand that The Noise Devizes organisers will do their utmost to ensure the safety and security of all delegates and staff members at all times during the event. I agree to comply with any reasonable request given by Noise organisers regarding Health & Safety over the weekend.
- I understand that all activities during this event are carried out at my own risk and accept all responsibility. I agree not to bring any claim against the organisers of The Noise Devizes, or St James' Church.
- I understand that although all projects have been assessed, The Noise Devizes cannot guarantee that all NOISE DEVIZES Family Team projects are 'child-safe'. Therefore, I am fully responsible for the safety, wellbeing, behaviour and actions of the child or children who are part of my NOISE DEVIZES Family Team, and for assessing which parts of each project are safe and appropriate for each of the children in my care depending on their ages and abilities. I understand that the child or children who are part of my NOISE DEVIZES Family Team remain my responsibility at all times during the time they are volunteering with The Noise Devizes.
- I give permission for my child to participate in Community Project work, including gardening, painting, and all other work which is assessed by Noise Devizes project leaders.
- I understand that it may be necessary to arrange transport in individual project members' cars. Safeguarding policies will be adhered to in these situations.
- I give my consent for any member of my Family Team to be filmed and/or photographed and I authorise The Noise Devizes organisers to use such film/photographs in presentations. St James' Church, Devizes operates a safeguarding policy. Copies of St James' safeguarding policy and procedures are available to view online at www.thenoisedevizes.org.uk or www.st-james-devizes.org.uk.
- I agree, if considered appropriate, to co-operate in any risk assessment deemed necessary for me to take part in The Noise Devizes. SAFEGUARDING INFORMATION

Dealing with an Allegation

The most important consideration for workers must be to safeguard and promote the welfare of the children and young people with whom they come into contact. Any allegation of abuse must be taken seriously and The Noise Devizes Project Leader has a duty to report it to the relevant statutory agencies, in consultation with The Noise Devizes Safeguarding Co-ordinator.

Abuse falls into four categories, which can be defined as follows:

Physical Injury: Any injury to a child, young person or vulnerable adult caused by a family member or other person with responsibility for their care.

Neglect: A failure to meet a child, young person or vulnerable adult's basic needs for food, warmth, protection and care.

Emotional Abuse: The persistent, severe emotional ill-treatment or rejection that severely affects the emotional and behavioural development of a child, young person or vulnerable adult.

Sexual Abuse: The use of a child, young person or vulnerable adult to meet an adult's sexual needs.

If a child, young person or vulnerable adult begins to tell a worker about abuse it is vital that you do the following:

- Never promise to keep it a secret and not tell anyone.
- Listen carefully but do not ask questions.
- Reassure the child, young person or vulnerable adult that they have done the right thing by telling someone.
- Pass the information immediately to your Team Leader.
- Write up what has been told as soon as possible using the child, young person or vulnerable adult's own words to describe the abuse.

Your Team leader will then report to The Noise Devizes Project Leaders. From there the Safeguarding Co-ordinator will be involved and St James' Church will take up the matter from there. It is important to remember that it is not the responsibility of The Noise Devizes or St James' Church to investigate the truth of any allegation. This is the responsibility of the Police, Social Services and the NSPCC.

Please note, **what has been disclosed is very confidential and should only be shared with others on a strictly need-to-know basis.** The first person to be told of the abuse may be asked to provide a statement for the police.

After telling of abuse, a child, young person or vulnerable adult can be distressed, frightened and worried about what will happen next. They should be reassured that they have done the right thing and not left on their own.

The best interest of the child, young person or vulnerable adult and the need for the abuse to stop comes before the interests of the organisation or the abuser.
